

September 2019

Guidance of our correspondence about the consumption tax rate revision

Dear Customers,

Thank you for being valued customers. We would like to inform you for the revision to the of the consumption tax rate beginning October 1, 2019.

With the revision of the consumption tax rate from 8% to 10% starting October 1, 2019, the price of our products will also reflect the consumption tax rate.

For deliveries after October 2019, the consumption tax rate will be changed to 10%.

Thank you for your understanding and continued patronage.
